

### Election of a New Parent Governor

There was one nomination for the post of Parent Governor. This was for Eliza Low, who has consequently been elected unopposed.

#### Eliza Low

My daughter Kitty is in Year 9 and I would like to do anything I can to support the continuing success of St Marylebone School.

Until recently I was a Parent Governor of a Primary School and was on the sub committees for admissions, curriculum and staffing. Before that, I was Secretary of the PTA. Both roles taught me a lot about how a school ticks and I would welcome the chance to develop that experience into the wider context of a secondary school. I am a member of the London Diocesan Board for Schools (LDBS) which would be a helpful addition to the governing body.

In my professional life, first as a journalist and then as a music consultant and supervisor for film and theatre, I am accustomed to taking on difficult and creative challenges and being well organised. I am conscientious in the tasks that I undertake.

Communication between parents, teachers, staff and the governors is crucial to ensure a healthy and thriving atmosphere and it is important to have a forum in which issues that concern parents can be discussed.

I am aware of many of those issues and would welcome input from you.
